“We are specialists in both wedding and portrait photography having twice been voted top area wedding photographer. We know how important it is to have a formal record of your day but equally important is to have less stuffy atmospheric pictures that capture the moment, the fun the excitement and spontaneity of the moment. ***This makes a wedding*** and is vital to see expressions of you your family and friends surrounding you on your special day. This enables us to provide a complete wedding picture portfolio for you to keep forever”...*Paul T. Cooper Partner Hampton Hill Studios*
